

Features and news

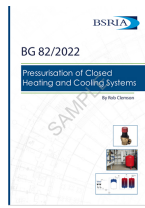

Free webinar
On 1 December, our director Gregor Harvie will explain how to create, write and optimise articles on Designing Buildings. Book your place now.

Bedding down for winter
Looking back at twenty years of Bedzed.

Blurry sustainability goals
Two thirds of projects struggle to achieve targets.

New BSRIA publication
Preventing system failure in heating and cooling systems.

Quality risk assessment
A five-step process based on ISO 31000.

Profile
Our director and co-founder, Dr Gregor Harvie - architect, artist and reluctant website manager.
