02 · INITIAL RECORD

What's there?

A regional network map, a road-rail diagram, and text describing transport links, transfer areas, housing and industrial connections.

What attracts attention?

The PTb as a territorial system. Transport, education, housing and industry are represented as interdependent elements, connected locally and nationally.

Recollection · 1967

To be recorded, if recalled.

03 · INVESTIGATION

Questions to investigate

- * How do the transport networks relate to the distribution of transfer areas, housing and educational facilities?
- * What operational significance is attached to the distinction between local, national and international links?
- * How are the relationships between education, industry and the wider population envisaged?

Further examination

Examine the numbered locations, map symbols and connections against the text.
