# Designing Buildings Wiki
The construction industry knowledge base

## Featured articles and news

### The construction knowledge gap

We've analysed 6 million pieces of data to reveal that the knowledge framework underpinning the construction industry is no longer fit for purpose. Read our major new report here.

### Perceptions of construction

Construction is often seen as too traditional, and lacking innovation and collaboration. But are these perceptions fair?

### Change control procedure

An introduction to the change control procedures and when to impose them.

### Zeitz MOCAA

Thomas Heatherwick's new building is 'the tubiest in the world'.

### Artificial intelligence

AI will have a significant impact on the built environment, according to a new survey.

### Hurricane design

What are the design considerations for temporary housing and rebuilding devastated homes?

### Super-strength steel structures

ICE publish an update on developments in super-strength steel technology.

### Featured building

This unique Brutalist-era car park just off Oxford Street will soon be demolished.

## Around the web

### NHF, 20 Sept

£15m up for grabs for housing associations to transform communities.

### IHBC, 20 Sept

Book your place on IHBC's Back to the Future: 50 years of conservation areas conference.
