02 · INITIAL RECORD

What's there?

Text on socio-development; an image of the Hanley site; an axonometric; and a diagrammatic comparison of transfer areas.

What attracts attention?

The page brings community facilities, housing and leisure into the same field of enquiry as transport, handling systems and the provision of space.

Recollection · 1967

To be recorded, if recalled.

03 · INVESTIGATION

Questions to investigate

- * How do the three transfer areas differ in their transport arrangements, handling equipment and provision of space?
- * How does the PTb relate transport infrastructure to housing, leisure and the wider socio-civic development of the area?

Further examination

Compare the stated space provision for Meir, Pitts Hill and Madeley with their respective drawings. Examine the socio-civic proposals.

Relationships

PTb <-> DTb

Relationship to be investigated, not assumed.
