Farrell review

The Farrell Review of Architecture + the Built Environment, 'A broad and independent review of our collective efforts to plan and design our future built environment.'

All you need to know about the Farrell Review in fewer than 900 words.

Changes to listed buildings rules

From 6 April, the Enterprise and Regulatory Reform Act introduced changes to the Planning (Listed Building and Conservation Areas) Act.

Payroll companies

New rules on employment intermediaries or 'payroll companies' came into force on 6 April. As many as 200,000 workers could face higher tax and NICs liabilities.

New BIM standard

PAS 1192-3 'Specification for information management for the operational phase of construction projects using building information modelling' came into effect on 31 March.

Wellbeing

We have a great new suite of 15 articles about wellbeing, courtesy of BRE Trust. Everything from 'Daylight benefits in healthcare buildings' to 'The real cost of poor housing'.
